- Faruk Balci

Advisor: Eray Tüzün

**DERT WORKS SEAMLESSLY  
WITH GITHUB AND JAVA**

But can be used to support any object-oriented language and code review platform easily.

Try at: [bit.do/DERT](https://bit.do/DERT)

DERT uses state of the art  
layouting, code differencing  
and data management  
technologies

## FEATURES
